- * 110 volt / 20 amp Dedicated Circuit
- * Water and Electrical source must be within 50 ft of trailer placement

Comfort Elite ADA (3 Private Cabins)

The Comfort Elite ADA restroom trailer is thoughtfully designed to meet the needs of individuals with disabilities. Fully ADA accessible and compliant, it exceeds the permanent structure criteria outlined by the Americans with Disabilities Act. Its innovative “one-touch” hydraulic lowering system allows the trailer to gently lower closer to ground level, significantly reducing ramp angle and enhancing ease of access for all guests.

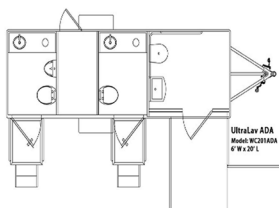

3 Private Cabins

- * 1 Women's Cabins
- * 1 Men's Cabin w/ Auto Flushing Urinal
- * 1 ADA Compliant Cabin
- * Occupied lights at doors
- * Fresh Running Water
